EA Resolution 2008 (22) 06
The General Assembly accepts the following recommendations from the Executive for establishing an EA network meant to share knowledge and information on EU directives as stated in Document EA/GA(08)48:
1. Based on the responses from the ABs, networks should be established for 18 schemes covering 26 directives.
2. a) Accreditation bodies which have not offered to convene networks shall be requested to reconsider their responses (BMWA, DANAK, EAK, ILNAS, ISAC, LA, LATAK, NA, PCA);
2. b) ABs that have not responded to the survey shall be requested to respond within two weeks and be encouraged to propose convenors for directives;
2. c) If the number of ABs prepared to convene networks is not increased considerably the number of network to be started up might be reduced and the need for additional networks reconsidered in May 2009;
2. d) The EA Executive Committee is authorised to appoint convenors for the networks and to decide for which directives networks will be established immediately;
2. e) The EA Executive Committee will consider presenting a resolution at the EA GA in May 2009 stating the obligation for all ABs accrediting CABs being assigned as a Notified Body to participate in the EA network sharing knowledge and information on EU directives and possibly to take on convenorship for networks;
2. f) The present EA policy to appoint convenors from EA members shall be maintained.
3. The Horizontal Harmonisation Committee shall hold the overall responsibility for the work of the established networks dealing with directives and each network shall report to the HHC. Networks may however, transfer specific technical issues to one of the technical committees within the EA structure.
   To ensure harmonisation of activities across networks the HHC shall draft generic Terms of Reference for the networks which have to be endorsed by the EA GA.
4. Each network shall draft its work plan to be endorsed by the EA GA.
